## Blood Donation Camp

### Event Overview

- Date: 01/10/2023
- Location: Samariton hospital
- Organized by: NSS unit, AKS University, Satna
- The Blood Donation Camp was a resounding success, with a 19 of donors contributing to the cause. The event not only achieved its goal of collecting blood but also raised awareness and encouraged more people to become regular donors.

## Health Check up camp

### Event Overview

- Date:19/10/2023
- Location: Sohawal
- Organized by: NSS unit, AKS University, Satna
- Name-Dr. Usha Tiwari

A health check-up camp is an organized event or initiative where people can get free or discounted health screenings and consultations. These camps are often set up by hospitals, clinics, or organizations to promote wellness in the community and to catch potential health issues early. They may include services like:

1. Blood Pressure Measurement
2. Blood Sugar Testing (for diabetes)
3. Body Mass Index (BMI) Check
4. Vision and Hearing Tests
5. Dental Checkups

## One Day Camp in Sohawal

(Saksharta jagrukta abhiyan)

### Event Overview

- Date:21/10/2023
- Location: Sohawal

- Organized by: NSS unit, AKS University, Satna

Saksharta Jagrukta Abhiyan (Literacy Awareness Campaign) is an initiative aimed at raising awareness about the importance of literacy and education in society. The goal of this campaign is to educate people, especially those in rural or underprivileged areas, about the benefits of literacy and its role in improving personal and societal well-being.

Such campaigns often focus on:

1. Promoting Basic Literacy: Encouraging people to learn reading, writing, and basic numeracy skills.
2. Awareness of Educational Rights: Making people aware of their right to education, and ensuring access to learning resources.
3. Vocational Training: Offering practical skills and vocational training for people to enhance employability and self-sufficiency.
4. Addressing Gender Disparities: In many parts of India, women and girls face barriers to education. Campaigns like this aim to reduce these disparities by promoting education for all, regardless of gender.
5. Digital Literacy: As technology becomes increasingly important, such campaigns often emphasize the need for digital literacy to ensure people are not left behind in the digital age.
6. Health and Financial Literacy: Along with basic education, campaigns sometimes include modules to teach people about healthcare, hygiene, and financial management, as these are vital components of an educated society.
